

AWANA = AMAZING!!!

Amazing is the word to describe our first month of AWANA. We have 59 children enrolled in our Clubs! We have already experienced lots of fun together playing and more importantly learning God's Word and how to apply it to our lives.

We still need your help, however, as there are more students reciting verses than there are adults to listen to them. Also, one of our major needs is game time help. I encourage you to get in on the blessings and join us. Even if you cannot join us you can still participate by dressing up! If you dress up then your clubber will get extra points. We have had Red, White and Blue nights - all easy to dress up in. The sillier the better. Take a look at our calendar for this month and see where you can help.

Clubbers - Don't forget to bring a plain white T-Shirt on Oct. 7. We will dye them that night. If you happen to have them earlier that is fine; we can put them in the dye early to make them darker.

2 Timothy 2:15 "Be DILIGENT to present YOURSELF approved to God, a WORKER who does not need to be ashamed, rightly dividing the Word of truth" NKJV (emphasis added).

From the Pastor

"Come, let us rebuild... and we will no longer be in disgrace'... They replied, 'Let us start rebuilding.' So they began this great work."

(Nehemiah 2:17b – 18)

I hate to admit it, but I still can hear Bob the Builder and all his tools ask:

"Can we build it? YES WE CAN!"

That's what having kids will do to you. This month we continue our series The Building Project from the book of Nehemiah. We will continue to see that the real building project was not so much the walls of Jerusalem, but the people themselves.

Most would agree that the Church today is in need of revival (rebuilding). It is time for the Church to move out of disgrace by returning to the unifying purpose of making Christ known.

I am blessed to work alongside so many here at Bethel who are determined to be an active part of this rebuilding. Are you praying for that kind of return and revival? Do you see what God is allowing us to build, as His church, as a GREAT WORK?

Are you an active part of the rebuilding? (The world already has enough members of the demolition team!) Remember: You cannot impact that which you do not engage. As we engage we will see God build us into the church that He desires – a church that brings glory to God instead of living in disgrace. Let's continue building!

CCS UPDATE

Our school year continues to run well, as we minister to over 225 students God has sent us this year! Please be in prayer for our school, as we take care of the students these parents entrust to us.

Team 252 Kids

Our annual Trunk or Treat will be on Wednesday night, October 28th. It is the largest community event we have all year long! It is a wonderful opportunity for our church and I hope we will all take part in this event! Each Life Group will be participating but we also need individual families to host a game. If you are interested in helping out please see Marty Reddell or Kim Scherer. Let's work together to make this the best Trunk or Treat EVER!!!

ROOTED YOUTH

We hope to see everybody out at our 5th Quarter / Fall Bash on 10/2 after the CCS football game!

Also, HABO (Help A Brother Out) is back this month, along with our Sunday night youth events. We'll meet on the 2nd and 4th Sunday of October from 5-6 pm.

And if you're young in spirit—regardless of what your driver's license says your age is—please feel free to come worship with us on Wednesday nights as we sing and study the word.
